

Trinity Park Limousine Code of Practice 2017

Routes around the site:

Drivers will follow all directional signage and instructions by parking stewards. They will not attempt to alter the route from that given.

They will observe a speed limit of 15 mph on the site.

Queuing: Drivers will join the queue of vehicles offloading guests. They will not attempt to overtake other vehicles in the queue.

Offloading: Vehicles will be offloaded one at a time in front of the Events Centre.

Sounding of horns: Vehicles may sound their horns when depositing guests in front of the Events Centre. They will not sound their horns whilst queuing nor when exiting the showground.

At all times drivers will pay due regard to any instructions given to them by traffic stewards and other events staff.

Drivers will have their licenses available for inspection upon request along with the confirmation of the hirer.
