days to experience a thrilling drive over the rugged and undulating terrain. The Suffolk Landrover Club kindly provided vehicles, ran the course and donated over £5k from admissions to the President of the Suffolk Agricultural Association's chosen charities, the RNLI and East Anglian Ambulance.

The four wheel drive course is ideal for teambuilding events or corporate hospitality and if you would like to give it a try, give Chris a call on 01473 707121 and we will arrange a test drive.

Celebrate, celebrate!

In these times of constant talk about economic doom and the squeeze on disposable income, it's heartwarming to observe that many people are still determined to celebrate in style and generously support charity fund raising events. Trinity Park is busier than it has ever been with celebratory events including birthdays, weddings, awards dinners and fund raising events.

The beauty of our events centre is its sheer flexibility. With its moveable walls, high ceiling, staging and mood lighting, the venue can easily be transformed from a blank canvas to a stunning setting to suit the ambience and size of the event. On top of that, our clients benefit from our highly acclaimed in house quality catering, ease of access from the A12/A14 and limitless parking.

Why not celebrate with us? Enter our fun competition for the chance to win a bottle of bubbly. All you have to do is answer this question: "What is the total theatre style capacity of the Trinity Park Events Centre?" You will find the answer on our [website](#). [Email](#) your answer and put Bubbly competition in the Subject line. A correct answer will be drawn at random by 18th July.
