YOUR EVENING RECEPTION

With mood lighting, sound systems, integral video screens, staging and a dance floor Trinity Park transforms into a wonderful atmospheric venue for an evening of entertainment and dancing.

We are licensed for music and the sale of alcohol. Our bar service provides a full range of drinks, operating either as a pay bar, free bar or a combination whichever you prefer.

You can discuss your catering requirements with our Chef, whether it's a barbeque, finger buffet or something as simple as bacon butties at midnight!

This is a great opportunity for you to invite more friends and continue your celebration of a day to remember!

EXCLUSIVELY YOURS

Set in 300 acres of beautiful landscaped grounds yet minutes from Ipswich town centre, Trinity Park offers you exclusive use of our award winning venue making for a more relaxed and enjoyable environment for your special day.

With attention to detail and emphasis on smooth operations and high quality catering, our dedicated wedding consultant and experienced team will support you from start to finish in creating the day of your dreams.

CONTEMPORARILY STYLISH

Contemporary and stylish in design, our state of the art venue comprises high ceilings, lots of natural light, mood lighting, the latest audio visual and communications technology and full length sliding doors opening out onto an attractive private courtyard garden, providing a wonderful blank canvas for you to personalise and theme your wedding.

INCREDIBLY FLEXIBLE

As Suffolk's premier purpose built events centre, and with the capability to subdivide its spaces, Trinity Park offers amazing flexibility meaning that we can cater for wedding parties from 50 to 500 guests and arrange the layout just as you want it. We can create dedicated areas for a civil ceremony, for the wedding breakfast, a children's zone and evening entertainment or you can have it all open plan – what ever works best for you.

"From the first time we walked into Trinity Park we were impressed, it's such a big and versatile venue. We had fairly large numbers for our wedding and Trinity Park catered for us really well...."

YOUR WEDDING BREAKFAST

Our venue seats up to 400 for a wedding breakfast. However, the space is so versatile we can fit the room to the size of your party, rather than your party to the size of the room.

Our highly acclaimed in-house catering team will ensure that your wedding breakfast is planned, prepared and served to perfection with emphasis on seasonal flavours and quality local produce. You can choose from our sample menus or our Chef can develop a bespoke menu especially for you.

We have a variety of menu options to choose from with a choice of hot, cold or finger buffet menus; barbecue selections and seating dining. Our Chef would be pleased to spend time with you to discuss your requirements and to ensure that all of your ideas are incorporated on your special day.

"The food was very impressive, we liked the way that we could choose exactly what we wanted for the wedding breakfast..."

YOUR CEREMONY

We are licensed to hold Civil Marriages and Partnership Ceremonies in the Events Centre or in the Trinity Rooms – the choice is yours.

Following the ceremony, whilst your guests mingle and enjoy drinks and canapés in the courtyard, you can take the opportunity to have photographs taken against wonderful natural back drops in our extensive grounds.

“We felt like we could ask as many questions as we wanted without feeling like a nuisance. Kevin gave us so many suggestions for our wedding and some really good ideas to keep the kids entertained...”

REMARKABLY ACCESSIBLE

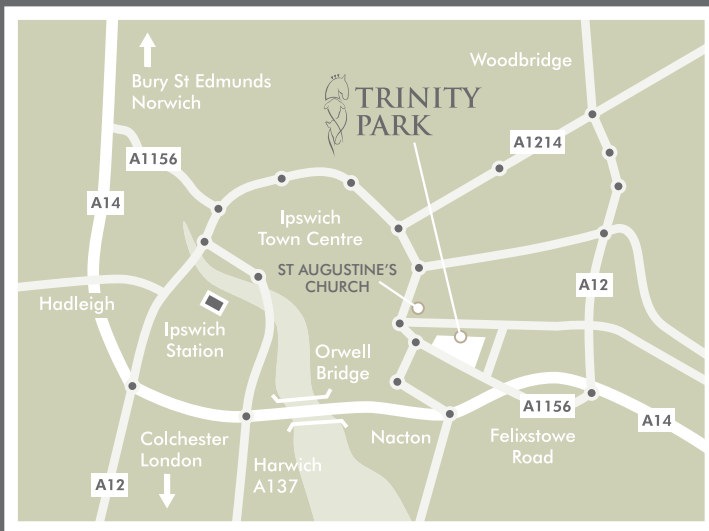

Trinity Park offers ample car parking, with secure overnight parking available and with everything on one level, making it very accessible. Conveniently located just minutes from the A12/A14, it is very easy to reach and find us.

We understand that choosing the setting for your wedding takes time – that is why we would be delighted to show you around Trinity Park and to discuss all the ingredients for your perfect day.
